Memorize Galatians 2:20 and Ephesians 2:8-9. Memorize the topic, chapter and verse – word perfect.

Identity in Christ – Galatians 2:20

"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave Himself for me."

Grace – Ephesians 2:8-9

For it is by grace you have been saved, through faith – and this not from yourselves, it is the gift of God – not by works, so that no one can boast.

Quiet Time

Make it your goal to have a quiet time 5 times per week. To reinforce what we're focusing on this month, please use "Scriptures on Our Identity in Christ" during your devotions. Reflect on one or more of the verses listed in the chart each day.

Mark one or two days that God spoke specifically to you to share with the group.

Book Assignment

Read the book assigned by your mentor. When you've finished the book, write a summary of the key insights God gave you and any application to your life.

THINK THROUGH THESE QUESTIONS

What did I learn about being a new creature in Christ and having Christ living in me?

In what ways did God encourage or challenge me through this book?

Is there any new truth I can apply to my life?

Make a copy of your one page summary for your mentor.

Marriage Focus (if applicable)

Please complete the Marriage Exercise and discuss the Date Night Questions with your husband.

Peer Challenge

WHAT IS GOD SHOWING YOU?

Who have I chosen to believe instead of God with regard to how I view myself? Whose voice is loudest when hearing the verdict of my self-worth? How would my life look different if I lived in the full freedom of God's truth?

ACTION STEP

What are some practical steps you can take to reinforce the truth of how God sees you? Write one action step you are willing to take in choosing the truth of God's Word. Share this action step with your Peer Challenge partner.

Personal Ministry Plan

Continue to work on Part 1 of your Personal Ministry Plan. God may be using this month's topic to help you on this year-long journey to evaluate, process and put the pieces together for your own Personal Ministry Plan.
