“In what situations or relationships do you find yourself feeling insecure?”

“How do you usually respond when those feelings arise?”

“How important is your performance to the way you feel about yourself?”

Ask each woman to share their key insights from the book.

“In what ways did God encourage or challenge you through the book?”

“Are there any new truths you need to apply to your life?”

# Titus2 Mentoring

Take a minute to comment on your own life, how you have grown in being secure in how God created you, and how you've discovered your significance is not in what you do, but in whose you are. Also share what difference that truth has made in your life, possible struggles you have had in this area, and how God has grown you to become a more confident woman in Christ, battling the lies with truth which is why Scripture memory is so important.
