

## MENTOR PREPARATION – SIGNIFICANCE AND SECURITY

### Before your meeting, you will need to:

- Pick your book and have copies to distribute at the meeting
- Print copies of homework assignments and all additional resources for this topic
- Prepare your meeting place –comfortable setting, simple snack
- Plan your meeting agenda – see meeting guide for more detailed help
- Prepare Peer Challenge assignment pairings for your group
- Your Story
  - What’s your story when it comes to knowing who you are in Christ? Have you struggled with this? This is a huge area where many women struggle. It is so very easy for women to compare themselves with others. As we do this, we often just look at the positive areas or strengths of other women, forgetting that they also have areas where they feel inadequate or that they don’t measure up. With the media being such a huge part of our culture, what women have in front of them every day is really not the “real world”.
  - You have an opportunity to walk alongside the women you’re mentoring and allow God to speak truth into their lives in this very important area. Share with them how you’ve grown in regards to your security and significance – how you’ve struggled with finding them from the world and how God’s changed you, defining these areas for you based on who you are in Him.
- Incorporate the Personal Ministry Plan in the meeting
- Schedule one-on-ones (remember to meet at least once every 3 months with each mentee)
- Pray for the meeting and each mentee
