

## MENTOR PREPARATION GUIDE – INFLUENCE

### Before this session, you'll need to:

- Print copies of homework assignment for GRADUATION session if holding a separate meeting.
- Prepare your place where the group will gather.
- Plan your agenda and lay out your timeline for the session.
- What is your STORY?
  - How have you been intentional in your life? Women need to discover what their ultimate purpose in life is so they can make wise choices on how they use their time, talents, and resources in order to have maximum influence.
  - Think through what God has taught you in the area of influence, and how you've used your gifts, season of life and passions to serve and influence your church and community.
- Your women will be doing several exercises this month, so you will want to be familiar with what you will be asking them to do and make sure you have done these personally. It's a very busy month for them, but the outcome can have a huge impact on their future, and the future of their families and those in their influence.
- Pray for the session and each of your women.
